

TUZUULE ART PROJECT

# news letter

31<sup>ST</sup> JULY 2019 - Vol. 5

## PROJECT (501(C)3

Tuzuule Art Project(TAP) is now a tax-exempt nonprofit organization (501(c)3. With that, we are working on a website that will be up and running very soon. This website will keep you "in the loop" as to what is going on at TAP. Please let's join efforts and we grow together as the TAP family. BELOW; are some of the things we will be raising money for in this year 2019:

\*PAY OFF OUR VAN \$4000

\*An official TAP Center that we own. Currently we are using a space, a small church in the community has generously let us use on the days we come to the Center. We would love to raise the money to buy enough LAND to start slowly building our dream TAP Center for the children in and around Buwama. This Center LAND will cost around \$5800 for 2 Acres.

\*Get the other children in the community sponsorship. This is so important to TAP and to the community. It gets the children off the streets, and gives them a future to look forward to.

Again, we thank you so much for your generosity, we could not do this without each of you. PLEASE consider to help TAP grow with a donation, any amount is a helpful amount, OR

Sponsor a child, and if neither of those you are able to do, please just keep praying for our organization.....that God will provide and will honor our vision.

MAY GOD BLESS YOU. In His Faithful Hands.

Still our target this month is: to take all the children back to school, with all the necessary school requirements and supplies like: Tuition, Stationery, School Uniforms, and School Bags.

Your partnership in this ministry allows us to spread the love of Christ by educating and empowering the children of Uganda and the communities where we serve

### How to Donate:

PayPal.Me.TuzuuleArtProject

or you can Email:

[carrie@tuzuuleartproject.com](mailto:carrie@tuzuuleartproject.com) (President USA)

[amy@tuzuuleartproject.com](mailto:amy@tuzuuleartproject.com)(Vice President USA)

Let us make some ART...

## ACTIVITIES AND PROGRAMS

### Lynchburgh Christian Academy

#### - Feeding Program

When Children come to the Community Centre there is a Hot Meal ready for them. We endeavour to avail atleast one meal to supplement their diet. We need support to be able to afford a steady supply of food stuffs so that we can continue doing this.

#### - Education Sponsorship

We need to Keep Children in School. We need your help to achieve this. They need; Tuition, Stationery, School Uniforms, and School Bags. *Be the miracle some of these Children are praying for!*

#### - Discipleship & Bible Classes

### Medical Treatment

### Snack Attack...

### Food package for families

## 1. GENERAL FUND

Recurring donations and one-time donations both provide stability for our operations and current programs to help meet immediate needs. Our General Fund helps run our operations in the USA and Uganda, Catering for salaries, Internet, Office space and postage. In addition TAP runs a weekly discipleship class (Bible). We provide a hot meal to a number of children of about (100-120) kids. And our Art program which empowers kids with skills to engage life positively. The funds help in the transit and communication needs also for the volunteers to ensure transportation to and from the meetings.

Would you consider partnering with TAP through either a recurring or one-time gift, so that together we can fulfill this mission?

## Art session

## 2. GIFTS

Some of the kids received gifts from their sponsors. Gifts help to meet some of the basic needs of the kids at TAP. And among the ones they received included Mattresses, Blankets, Towels, Bed sheets, Suit cases for school etc. You can also meet the basic needs of your sponsored child or any child at TAP sending them a donation for a gift.

## 3. MORE 13 KIDS GOT SPONSORS

We aim at taking many of the TAPkids back to school because we believe education is the gift that lasts forever. Weve been able to now get new sponsors for 13 more kids at TAP. We are grateful to God for that. And more kids still need sponsors, you can also become a sponsor of a child so th.at you take part in the process of changing their lives forever. These are the new 13kids with sponsors.

## 4. TREATMENT FOR SICK KIDS

There was an outbreak of Malaria, Fever, Flu, Cough and Skin diseases at the TAP community and through raising donations we were able to treat all the kids and all those that had missed school for 2 weeks were able to resume. We want to continue to ensure the good health of these kids, please join us

## 5. DONATIONS

We received donations in form of gifts namely, Laptop, still photo and professional cameras, tablet and camcorder. This has improved our documentation at TAP and has given a chance to the TAP kids to learn how to use cameras and maybe in the near future they could become professional photographers and videographers. Thank you to everyone that donated to us and may God richly bless you

## 6. LYNCHBURG H CHRISTIAN ACADEMY DONATION OF \$600

It was such a joy for the TAP kids to receive a donation from the Lynchburg Christian Academy which facilitated our scholastic materials and all the school going kids were able to receive a package. Thank you so much for your kind hearts.
